

**“DARK AND COMPELLING ENTERTAINMENT...
AN IRRESISTIBLE PAGE TURNER”**

Clive Barker

***OUT OF THE MISTS OF VICTORIA'S ENGLAND,
A DIABOLICAL EVIL HAS EMERGED WITH ONLY ONE
PURPOSE—VENGEANCE***

Following a bloody London séance and in the aftermath of a terrifying supernatural contact, a good doctor finds himself the target of malevolence born of the darkest nightmares. But with stalwart companions by his side—including an extraordinarily intrepid investigator—he seeks to expose a dastardly band of nefarious criminals and a chilling conspiracy aimed at the heart of England's future...and instead unearths a crime far more horrible than murder and an experience beyond the limits of imagination.
