## LADY OF THE TRILLIUM

The last of the surviving triplet princesses, Haramis—the White Lady—has lived several lifetimes as Archimage. Now it is time to seek a successor as Guardian of a land abloom with the mystical Black Trillium. Princess Mikayla knows nothing of her kinship with Haramis or the magical destiny that awaits her. But she will soon find herself the privileged—if reluctant—captive of the ancient Archimage. For fate demands that she abandon her dream of marriage to her sensitive and gifted childhood companion and dedicate herself to the magic arts. Yet the challenges ahead are more difficult than either Haramis or Mikayla imagines, as powerful enemies gather to wrest control from the rightful heir to the land.
