

CARLOS CASTANEDA
JOURNEY TO IXTLAN
THE LESSONS OF DON JUAN

Journey to Ixtlan ends the unique record of the author's initiation into the mysteries of sorcery – of becoming a 'man of knowledge' – under the guidance of one of the most remarkable personalities to emerge from anthropological investigation, Don Juan, the Yaqui Indian, whom he met in north-western Mexico.

Don Juan's profound insight into the nature of things made *The Teachings of Don Juan* and *A Separate Reality* immediate classics.

Now, in a series of startling encounters with the unknown, Castaneda learns the wisdom of the hunter – he who is 'without routines, free, fluid, unpredictable'.

'Castaneda . . . and now his readers are hurled into inconceivable worlds of deadly and dazzling beauty' – *Sunday Telegraph*
