

THE NAME OF THE ROSE

by UMBERTO ECO

Winner of the Premio Strega, Premio Viareggio
and Prix Médici Awards

'Imagine a medieval castle run by the Benedictines, with cellarists, herbalists, gardeners, young novices. One after the other half a dozen monks are found murdered in the most bizarre of ways. A learned Franciscan who is sent to solve the mystery finds himself involved in the frightening events ... a sleuth's pursuit of the truth behind the mystery also involves the pursuit of meaning – in words, symbols, ideas, every conceivable sign the visible universe contains ... Umberto Eco has written a novel – his first – and it has become a literary event.'

NEW YORK TIMES BOOK REVIEW

'This novel belongs with Voltaire's philosophical tales ... in the entertaining guise of an erudite fiction story, it is also a vibrant plea for freedom, moderation and wisdom.'

L'EXPRESS

'Riveting, compulsively attractive, and perfidiously analogous to our times.'

LA REPUBBLICA

'There's humour here: there is humanity too: and terror and ecstasy both physical and metaphysical: there is intellectual delight and all the excitement of a tremendous climax enough for any thriller.

Mephistophilis, you will recall, offered a doubting Faustus a book which contained *everything*. Signor Eco makes much the same offer at a much more reasonable price.'

BOOKS AND BOOKMEN

'A novel of stunning intelligence, linguistic richness, thematic complexity.'

IL GIORNO

'Whether you're into Sherlock Holmes, *Montaillou*, Borges, the *nouvelle critique*, the Rule of St Benedict, metaphysics, library design or *The Thing From The Crypt* you'll love it. Who can that leave out?'
