

THE STORY OF — KING — ARTHUR

In the best Arthurian tradition, Robin Lister draws on a wide range of sources in this brilliant retelling of a great legend. He begins with the wizard Merlin's story, including the magical episode of the battle between two dragons, which sets the scene for the arrival of Arthur. After Arthur has pulled the sword from the stone, he is crowned king and sets up his court at Camelot, and the Fellowship of the Round Table is formed. Then the famous tales unfold: the doomed love of Lancelot and Guinevere, the quest for the Holy Grail, the treachery of Morgan le Fay, and finally Arthur's defeat in battle and his departure for the magic isle of Avalon.

Inspired by the grandeur of the legend, Alan Baker has produced a series of splendidly evocative illustrations for *The Story of King Arthur* which will delight enthusiasts and entrance young readers coming to the story for the first time.
